

Hometown Hitters Baseball/Softball Camp Summer Camp 2017

Hometown Hitters is excited to offer it's 3rd ANNUAL SUMMER CAMP for the next generation of baseball and softball players from in and around Haddon Township.

The Head Baseball Coach from Haddon Township High School, Doug Richardson, along with his highly respected coaching staff, is going to offer unique instructional opportunities for those players interested in taking their games to the next level.

Hometown Hitters SUMMER CAMP guarantees high-level instruction provided by coaches who have a **genuine interest** in the development of future high school players in Haddon Township. Working with young ball players before they reach the high school varsity level not only accelerates their development on the diamond, but improves their self-confidence as well.

Not a one-size-fits-all program, Hometown Hitters SUMMER CAMP instead offers individual and small group instruction based upon the needs of the player. A positive, high energy hands-on approach provides all players the chance to be educated in the following fundamentals: *hitting, pitching, fielding (infield, outfield, catching), base running, throwing.*
